

Professional, Marketing and Communications

Airwavz Solutions is a leading wireless infrastructure company that designs, develops and delivers wireless infrastructure platforms as a service for building owners, service providers and enterprise customers to flexibly and economically solve the coverage and capacity challenge created by the explosion of mobile device use indoors.

We are seeking a marketing and communications professional to join our fast-paced team and support the aggressive growth of Airwavz Solutions' products and services in the commercial real estate space.

POSITION SUMMARY

Working with the Airwavz Chief Revenue Officer and CMO, this individual will provide strategic and tactical support for company brand, products, external/internal messaging, content creation/curation, events, digital, direct and other marketing communications responsibilities.

PRIMARY RESPONSIBILITIES:

- Develop external messaging and communications plan in support of company brand and product objectives
- Manage budget for communication partners, programs and platforms required to execute on external messaging and brand positioning
- Develop brand guidelines and reporting package templates for internal and external communications
- Create conference and trade show strategy in support of annual goals, budget and brand objectives

REQUIREMENTS:

- Four-year degree in Business, Communications or in a related field
- Minimum of 10-years in technology or communications industry with role(s) in business development, sales, marketing or public relations
- Strong understanding of wireless technology sector, including commercial wireless operators, real estate partnerships, and network funding models
- High competency in content creation and messaging, including written communications and use of visual media (graphic and video)
- Excellent verbal and written communication skills
- Proficiency with Salesforce and Microsoft Office applications
- Must be detail oriented with good organizational and time management skills
- Ability to multi-task effectively, and prioritize/re-prioritize as needed in a fast-paced working environment, especially when dealing with time sensitive issues and mandated deadlines
- Must successfully pass pre-employment background check & drug screening

To apply, please send your resume and supporting materials to Careers@airwavz.com. Thank you.
